Height Adjustable Tables Category # 2 – Specifications, types of tables available, colors available

## Height Adjustable Tables

Now more and more becoming the norm of the office desk, height adjustable or sit stand desks allow for all users to ergonomically adjust their workspace to a level which allows for a more productive office environment. Our table surfaces are fabricated with a PVC 3mm border and a high pressure laminate surface with several choices of color available to suit most.

All height adjustable tables follow rigorous testing required by PWGSC- Supply Arrangement as well as all our finishes are also tested to insure they meet PWGSC requirements :

-ANSI BIFMA X 5.5-2014

-CAN/CGSB- 44.227-2008
